# About Dan Cake

Dan Cake is a leading European manufacturer of cakes for retail and foodservice. All products are baked in Denmark, building on a strong tradition of Danish baking craftsmanship combined with modern, industrial production expertise.

Founded in 1931, Dan Cake has developed deep knowledge within cake manufacturing through decades of continuous development. Dan Cake operates with high quality standards and strict food safety procedures, ensuring consistent product quality and reliable supply across markets.

When tradition meets innovation, Dan Cake combines heritage baking values with continuous product development and efficient production processes. Working closely with professional customers, the focus is on taste, quality and solutions designed to perform in demanding retail and foodservice environments.
